

David Cameron

David Cameron has established himself as a leading voice in education. He has led reviews and presented at conferences in Scotland, across the UK and internationally, but he remains committed to working with teachers and learners. David has extensive experience as a teacher, a senior manager in schools and in local authorities, most recently as Director of Children's Services for Stirling Council. He has been extensively involved in developing Scotland's Curriculum for Excellence and, notably, in the review of Devolved School Management. As an independent consultant, he has maintained that level of involvement and further broadened his experiences. He can be contacted at therealdavidcameron@gmail.com
