

CEIST is the new trustee body for the voluntary secondary schools of the Daughters of Charity, the Presentation Sisters, the Sisters of the Christian Retreat, the Sisters of Mercy and the Missionaries of the Sacred Heart.

### Hand Over of Schools Trusteeship Complete

May 31st marks an important milestone in the history of CEIST; it marks the final handover of the schools from the Congregations to the new trust.

With the arrival of Presentation North, Sisters of the Christian Retreat, Daughters of Charity, and Missionaries of the Sacred Heart, the full complement of the 112 schools is now under the trusteeship of CEIST.

This is a significant new stage of the Congregations' journey as they hand over the exercise of trusteeship of their secondary schools to CEIST.

It is CEIST's sincere hope that the charism of the founders of the Congregations is carried on into the future with the same commitment and dedication of those who went before us.

### Young Social Innovators
