

St. Joseph's Secondary School, Rochfortbridge, Co. Meath

Deputy Principal: Niamh Sheridan

As a Deputy Principal in St Joseph's Secondary School , Rochfortbridge, I can say that whilst this situation is frightening, stressful and scary for so many, it has, on its flip side, brought out the best in us. Our own staff have been so resourceful and are continuously coming up with new ideas to keep our students engaged. We have a keep fit challenge, a photo of the day competition, a "through the gap" soccer challenge, guidance updates on mindfulness, religious reflections shared to every student to help them reflect in this new quiet time they have and teachers who are delivering online curriculum in new and exciting ways. Check out our facebook page (link below) to get a flavour of our school community and how, even remotely, we have come together.
