

PRESENTATION SECONDARY SCHOOL TRALEE

COURTESY FRIENDLINESS CO-OPERATION

Principal: Mary Kenelly

We have just finished our first ever virtual well-being week in place of our normal week. We felt it was not the time to abandon the week. We shared prayers, reflections, activities and supports. Today I left them with the reminder that they are all "Pres Girls" and now is the time for them to carry their lantern.

The singer Owen Rua created a video clip in dedication to our students.
