

o whom it may concern,

On behalf of Loreto Fermoy I am pleased to invite students from your school to LFMUN (Loreto Fermoy Model United Nations), which will take place via Zoom, on the 13TH of May until the 15th of May.

This event will run each day (on the dates provided) for around 4 hours. (Please find attached the official program of this MUN which contains a more detailed description of each day.) Each school will receive a list of countries and will be asked to register each delegate that decides to take part at least 5 days prior to the event. Countries will be provided to schools when the school replies with the number of students taking part. We encourage that the students taking part are 4th or 5th year students, although younger or older students that have attended a past MUN and are interested are more than welcome to participate.

This event is a student run event although will have teacher supervision throughout the 3 days. Every delegate will be asked to join the zoom call using their delegation (country provided), and not their name. No personal information can be shared during the Zoom calls, delegates also do not have to show their face on the call if preferred due to child protection and internet safety. Teachers of the different schools will be more than welcome to join the Zoom calls. This MUN will only consist of General Assembly. All MUN rules still apply to delegates. A Zoom call link will be shared with the delegates each day before the MUN begins via their school emails. 3 topics will be debated during this event. Topics that will be debated during LFMUN will be shared after delegates have registered and received their country. Delegates are encouraged to write resolutions, (these will not require 10 co-submitters as lobbying will not take place). Resolutions must be sent onto the email attached down below before the 11th of May. The chosen resolutions will be announced on the 12th of May and each delegate will receive a copy via E-mail. If you have any questions regarding this event feel free to contact us via this email. (1670392@loretofermy.ie)

We look forward to hearing from you.

Yours sincerely,

Loreto Fermoy Debate Team
