Today, we celebrate being a @CeistTrust School. In Religion class, we have looked at how we can live the values of CEIST using the themes of Catholic Schools Week. These themes surround how our faith is lived through our parishes, schools, homes, and communities.

Last year's JC students were presented with their Junior Cycle Profile of Achievement (JCPA) by Gerry Watchorn of @CeistTrust. This cert details the results achieved in state exams & CBAs, & highlights how each student focused on wellbeing & learning outside of the classroom.

A great day was had in St. Joseph's celebrating Ceiliúradh Ceist on 1st February. @CeistTrust #CeiliúradhCEIST

A great day was had in St. Joseph's celebrating Ceiliúradh Ceist on 1st February. The Schola choir joined the 10am St Brigid's Day Mass and beautifully added to a lovely ceremony. Our students were busy baking buns for the parishioners to enjoy along with a 'good cup of tea' after mass. Our second year 2C class made and distributed friendship bracelets along with our Ceist theme that good friendships are built by working together and building community. We were so pleased to have our Special Guest Gerry McGuill CEO of CeistTrust to our Liturgical workshop, weaving our Ceist values into St. Brigid's Day crosses.
